

## Science

This term the children will be learning about animals including humans. We will be exploring skeletons of both humans and animals as well as the use of muscles inside the body. Children will be researching the diets of human and animals. As a class we will gather, record, and begin to classify and present data in a variety of ways.

## Religious Education

Topic Title: *What do different people believe about God?*

The work this term enables pupils to learn in depth different religious and spiritual perspectives of who God is. Children will be able to discuss and compare as well as explore descriptions from sacred texts.

## Important Dates

29th September 2017-  
MacMillan Coffee Morning

20<sup>th</sup> October - 31<sup>st</sup> October  
– Half term

## Computing

This term in computing, your child will be learning about simulations. They will look at a variety of educational simulations, identify the use of the simulations and discuss what it would be used for.

## Weekly Routines

**PE-** This takes place every Friday. PE kits should be in school every week.

**Homework-** This is given to the children every Friday and should be completed and returned to school by the following Wednesday.

**Spellings-** These are given on Monday every week and need to be learnt for the following Monday.

**Reading-** Reading books need to be read regularly. The children also have the opportunity to choose a library book from our school library each week.

**Times Tables-** Please could you encourage your child to learn their times tables at home. We are focusing on the 3x tables this term.

If you have any questions at all, please come and ask.

Many thanks for your continued support,

Miss Booth (Year 3 Teacher)

THANK YOU
