

Reception W Newsletter

January 2019

Welcome back to our second term in Reception.

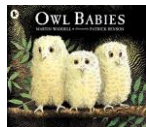

This term we will be continuing to challenge the children with exciting experiences in all areas of learning

EXCITING STORIES

During our Literacy Sessions this term we will be listening to a variety of different stories including Can't you sleep Little Bear, Owl Babies, Snow white, Jack and the Beanstalk, The Ugly Duckling and The Tiny Seed.

We will be writing sentences to describe characters, setting and events.

Phonics and reading

We are continuing our phonic sessions daily in small groups working on the letter sounds from phase 3 learning that two letters can make one sound. We will be reading and writing tricky words.

Please continue to work on the letter sounds from the phase 2 and 3 sound mats and to learn the words from the list we sent home.

learn the words from the list we sent home.

Number fun

Our maths learning will focus on number recognition, ordering numbers and beginning to find one more and one less than numbers to 20. We will also be measuring and learning our shape names and properties. We will begin to solve number and measure problems.

Reminders

- Make sure your child's clothes including shoes and especially jumpers have their NAME in it. This will save us a lot of time. Thank you
- Please ensure your child has a coat in school each day due to our outdoor learning in Reception and that they can fasten it themselves.

Please listen to your child read each night and complete the home school activity and return to school on a Wednesday.
