

Year 1 Newsletter Summer 1 2019

Welcome back, we hope you all enjoyed your Easter holiday. We have another exciting term ahead full of challenges, fun activities and new learning.

Super writers

This half term we are going to be learning about fantasy settings and stories. We will continue to concentrate on sentence structure and start thinking about how we begin our sentences. Then we will be focusing on Non-Fiction texts and creating our own information booklets linking to our Geography topic of Australia and our Science topic; Animals.

Mathematical Genius

We will be looking at multiplication and division in terms of grouping, arrays, repeated addition, sharing and repeated subtraction. We will then move on to fractions; finding a half, a quarter and 3 quarters of shapes and numbers. The children will then move on to solving fraction problems.

GLOBE TROTTER

In Geography we are travelling around the world to Australia. We will be looking at the weather, physical and human features. We will be comparing Australia with where we live.

Construction

This half term we will be learning all about playgrounds. We will look at how playground equipment is structured and pieces joined before planning and creating our own using a range of tools and equipment.

Scientific Masters!

We will be learning about different animal groups and the 5 categories that every living creature fits into. We will be learning about herbivores, carnivores and omnivores. To finish off we will be focusing on minibeast and local habitats.

RE

We will be discussing and sharing how different groups show how they belong to a faith/community. We will be discussing what it means to belong to different groups, faiths, religions and communities and how it feels.

Weekly Routine

PE- For Miss Mistry's class it is on **Thursday** and for Miss Davies' class it is on **Friday**.

Homework- English and Maths are given on a **THURSDAY** and are to be returned on **MONDAY**.

Spellings- Spellings are given on **FRIDAY** and are to be learned for the following **THURSDAY**.

Reading- Reading books are changed once a week. Please could children read their books at least 3 times. This help with fluency and understanding.

PSHE

In PSHE we will be looking at how we can respect and protect our environment. We will be discussing where money comes from and its importance in our lives.

Thank you for your continued support. It is very much appreciated.

Miss Mistry and Miss Davies.
