### **The PE and Sports Premium Funding Report 2018-19**

The government is providing funding for the academic years 2018/2019 to provide substantial Primary School Sport Funding. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles.

The allocation of the yearly Sports Funding is paid in instalments over two financial years. This is the same way as the DfE are passing the funding onto Local Authorities.
