

# Home learning activities

1.

Draw and label a street scene using 2D shapes.

2.

Shop Time!

Can you play shops by making amounts to pay in different ways for items!

3.

How many ways can you find to make 20p?

4.

Shape hunt!

Can you look around your house to see how many 2D & 3D shapes you can find?

5.

Watch Number Blocks on CBeebies!

6.

Follow a recipe and weigh the ingredients using scales!

7.

Draw a hundred square. Fill it in. Cover a number. What is hidden?

8.

Collect data on favourite colours and make a chart to show results

9.

Write down your numbers to 50. Can you colour in the even numbers?

10.

Choose 5 numbers. How many addition/subtraction sums can you build using them?

11.

Play a game of snakes and ladders!

12.

Make a list of things that are taller/shorter than you around the house.

13.

What's the time Mr Wolf?

Practice telling the time and have a bit of a game if you can!

14.

How many ways can you make 10 using 2 numbers?

15.

Can you create your own repeating patterns using blue and red circles?
