

Hello girls and boys, I hope you are all well. Here are some activities you could carry out at home. These relate to the topics we would cover if we were in school as normal. Your parents are welcome to pick up a learning pack from the office at school. Also BBC Bitesize are publishing daily online lessons, a dedicated TV channel full of learning content, podcasts on BBC Sounds and loads of educational video on iPlayer.  
Stay safe! Miss Lumb and Mr Nowak
