

Year 3 Summer learning grid

NEATNESS IS THE AIM THIS HALF TERM! Please make your work as neat as possible.

Literacy & Communication (Speaking and listening, language and literacy)	E17. Write a short poem about the season changing from spring to summer – think about the different coloured leaves on the trees and flowers that you see.	E18. Write a short story about an exciting journey you take, how you travelled, what made it exciting. Use powerful verbs and adjectives.	E19. Describe your dream holiday, where would it be? What would you do each day?	E20. Play the alphabet game – make a list from A-Z with animals, countries, TV programmes or football teams.
Maths & Problem Solving (Maths, thinking skills, Logic, Problem solving)	M17. Find the weight of 10 different food items in your kitchen such as a load of bread, a tin of soup or a bag of sugar.	M18. Write out the 6, 7 and 8 times tables.	M19. Draw a plan of your living room with proper measurements in if you can.	M20. Keep a diary recording times for a day? What time do you get up have breakfast lunch and dinner? How much time to you spend watching TV or doing homework?
Science and the Outside environment (Science, PE, Healthy lifestyles, Eco issues and investigation)	S17. We will be looking at volcanoes in Science . Can you list five fascinating facts about volcanoes?	S18. Make a fact file about volcanoes and find out as much as you can about 1 volcano.	S19. Write down all the facts you know about weights and measures.	S20. Write a short biography of a famous scientist. (Look in the book called: Men and Women who Changed The World)
Humanities and Citizenship (RE, History, Geography, Moral & Social and Economic Awareness)	H17. Can you make a list of all the Kings and Queens of England from 1066 to the present day?	H18. Can you list 5 volcanoes and say where they are in the world. Perhaps draw a map of the world to show where they are.	H19. Find out all you can about Gallipoli in the First World War. It's exactly 100 years since it happened.	S20. News – have a look at the TV news or in a newspaper and find 5 interesting events from around the world.
Creative Arts (Art, Design & technology, Music, Drama & Dance)	A17. Can you make a volcano out of recycled material? Nothing too fancy or too big.	A18. Draw a picture of a volcano erupting.	A19. Practise drawing the horse we learned in Art.	A20. Can you design a card for one of your friends – think about the things they like to do that you can draw on the card?

Choose at least 1 activity from each row. Write the number of the activity you are doing clearly at the top of you page with the title and the date. Computers can be used where appropriate in all subjects.
