LO: To use the prefix un.

Learning:

Today you are going to be revising the use of the prefix un- on a variety of words. Watch the video below to start off with to remind yourself of the use of un- and hear some examples. I know this will be very familiar to you but as you know we are practising lots of different SPAG objectives at the moment and this is one of them.

Your task:

After watching this video please could you look at the learning below, add the prefix in the correct place and then write a sentence using this word correctly. If you feel very clever feel free to type some other words using un- at the end and again put them into a sentence which makes sense.
