

Home Learning in Reception Week beginning 21st September

Hello Reception,

Here are the things we have planned to learn in school for this week. If you are at home, please work on these activities.

Literacy

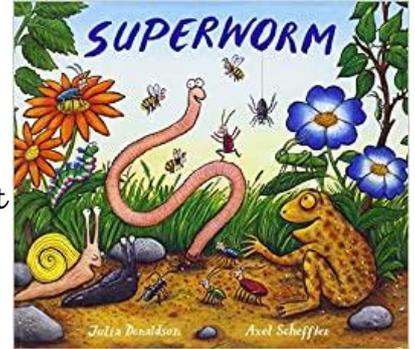

Listen to the story of Superworm on You Tube

https://www.youtube.com/watch?v=SAu_LsBrQTY

Can you retell the story? Add actions to help retell the story such as moving your arm like a worm.

Make a Missing poster for Superworm. Draw his picture and talk about What he looks like.

Think of some questions you might ask Superworm if you met him.

For phonics

Watch the videos on Espresso for s, a, t, and p. (You will need the log in details given at the beginning of term)

Try to find things around your house that begin with these sounds.

Write the sounds, hold your pencil in the tripod grip. Form your letters correctly as above starting at the top.

Mathematics

Look at number books.

Look around for a circle, a semi-circle, a triangle and a square or oblong, and pentagon and count the number of sides and corners on them.

Get 3 objects. Say "I have 3 objects" Get one more. Say "I have 3 objects." Encourage your child to tell you it is wrong, and you have 4 objects. Get one more object. What will I say this time?

Ask your child to get 5 objects. Ask your child to count them. Move them around. How many now?

Keep moving them around until your child understands that the number will remain the same unless you get more or put some away.

Topic work

This week we are continuing to look at Emergency services and especially the Fire Service. Talk about how the Fire Fighters keep us safe. Talk about keeping safe near fire. Talk about how firefighters uniforms need to be waterproof. Test different materials – paper, tissue, plastic bag to see what happens when it is wet. Which material would be best for a firefighter?

On Espresso go to Foundation - Understanding the world - People who help us: Fire Service and share the videos, book and activities.

Talk about special people and why they are special. Listen to the story of Guru Nanak and the Cobra and talk about why he is a special person.
