#### **RE- LO: To look at a Hindu place of worship and what it is used for**

You have been learning all about different places of worship with Miss Reynolds in RE this half term. At the start of the half term you began to think about the Church, what its features were and what it could be used for both a place of worship but also as part of the community.

In this lesson you are going to do something very similar but for the Hindu Temple (Mandir).

Look first at the videos and websites on the links below to find out more.

<https://www.truetube.co.uk/film/holy-cribs-mandir>

<https://www.bbc.co.uk/bitesize/topics/zh86n39/resources/1>

Make sure that you pay attention to these questions:

What can you find in a Hindu Mandir?

What is the Mandir used for?

What happens at the Mandir?

Are there any traditions which are important to remember when you go to a Mandir?  
(Similar to a Mosque where you remove shoes, or in a Catholic church ask for forgiveness at Confession)

Label the image below using the helpful vocabulary. (Simply click on each box to type in your answers as I have made them into text boxes)

Underneath the image of the Mandir, use the information you have learned to describe what the function of the different parts you have labelled.

If you want to find extra information feel free to see what else you can find.

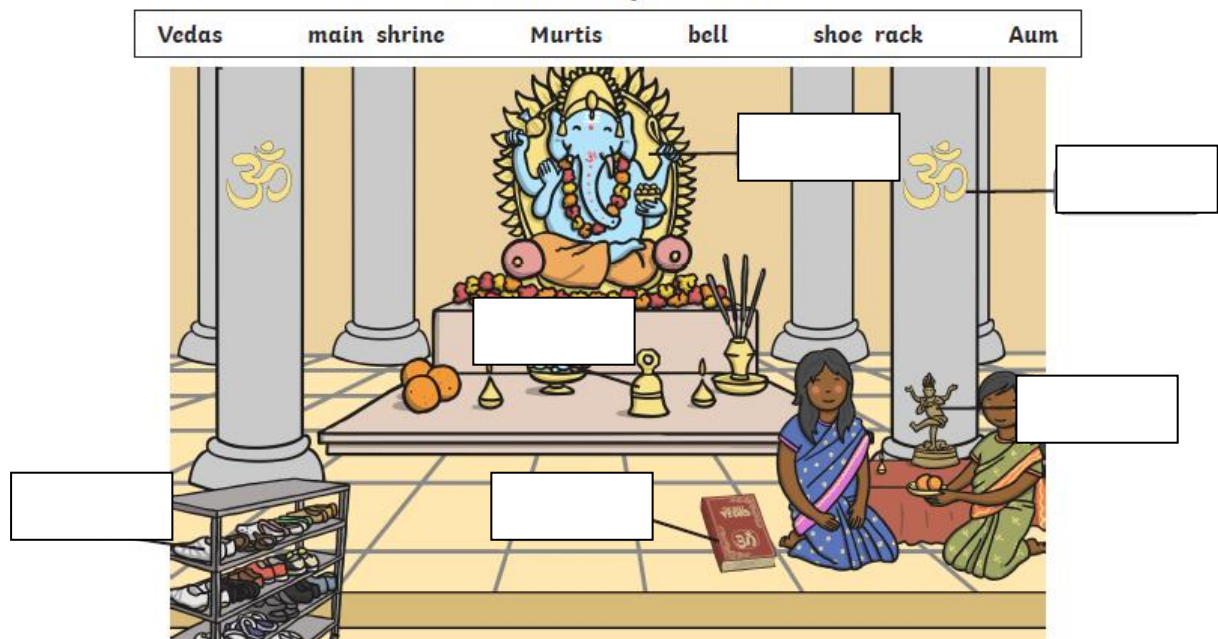

Upload this document back onto either the completed learning folder on sharepoint or Class Dojo.
