## **RE: Covid Email Address**

Dear Parents and carers,

If you find out that your child has tested positive for Coronavirus and the school is not open (such as Friday evening through to Sunday or during holidays) then please email [covid@awepa.org.uk](mailto:covid@awepa.org.uk)

Please tell us the following information in the email:

- Your child's name and class
- When they started with symptoms or tell us if they did not have any
- If anybody else in the house has tested positive
- When your child was last in school
- What day they had their test

This will help to ensure that parents are informed of a positive case sooner and that self-isolating starts as soon as possible.

## **Social Distancing on the Playground**

A reminder about socially distancing on the playground. Parents should be at least two metres away from each other unless they live in the same household. I would also ask that you stay two metres away from members of staff when collecting and dropping off your child. We are asking parents to wear masks on the playground to keep children, parents and staff safe.

You **must** wear a mask if you visit the school office as this is inside the school building.

## **Half Term Holiday**

School will re open on Monday 2<sup>nd</sup> November. Have a lovely half term break.

Thank you for your continued support.

Miss Pizuti,

Principal
