

## **Home Learning in Reception Week beginning 12<sup>th</sup> October**

Hello Reception,

Here are the things we have planned to learn in school for this week. If you are at home, please work on these activities.

### **Literacy**

Listen to the story of The Little Red Hen on You Tube

<https://www.youtube.com/watch?v=ydc22I4Zxk>

Talk about the characters. Should the animals have helped the Little Red Hen? Were you happy when The Little Red Hen ate the bread by herself?

Who are the characters? Ask your child to make puppets of the characters.

Ask your child to tell you the story using the puppets.

Talk about different types of bread you eat at home and how it is grown.

### **For phonics**

Watch the videos on Espresso for g, c, k (You will need the log in details given at the beginning of term)

Try to find things around your house that begin with these sounds.

Write the sounds, hold your pencil in the tripod grip. Form your letters correctly as above starting at the top.

### **Mathematics**

Look at number books.

Sing number rhymes. [https://www.youtube.com/watch?v=V\\_lgJgBbqWE](https://www.youtube.com/watch?v=V_lgJgBbqWE)

This week we are learning about 'more' and 'fewer'. Using toys or food in your home put some on one plate and some on another plate. Which plate has more? Which has fewer?

Get out 3 toys. Ask your child to get out more toys than you. Who has more? Who has fewer?

Using a building type toy have a race building a tower in 10 seconds. Who has more blocks in their tower? Who has fewer? Which tower is taller?

### **Topic work**

I hope you enjoyed your fruit salad last week. This week we are finding out about Autumn.

Can you look out of your window to find signs of Autumn? Draw some of the things you can see.

On Espresso (Discovery Education) go to Foundation – Understanding of the world – Weather.

Watch the seasons video on Autumn look at the ebook about Autumn and play the Autumn colours game.
