

Home school 2nd October 2019 Due Wednesday 7th October

School

This week we have been finding out about the Fire Service and Keeping safe in the event of a fire. In literacy they have been finding out about the character Superworm and asking questions. In Maths the children have been learning about the number 5 and how to count out a given amount. Next week we will be finding out about People who help us stay healthy. We will talk about the doctor, dentist, optician and nurses. We will think about ways to keep ourselves healthy by exercising, washing and eating fruits and vegetables and even make a fruit salad.

Home

Please can your child draw a healthy meal they would eat at home and talk about why it is healthy. Please label the foods your child says.

Thank you,
