

## **Home Learning in Reception Week beginning 9th November**

Hello Reception,

Here are the things we have planned to learn in school for this week. If you are isolating at home, please work on these activities. Please bring your work into school when you have finished your isolation for us to see. Thank you.

### **Literacy**

This week we are reading the story Laura's Star. Please read or watch the story

<https://www.youtube.com/watch?v=6OT5VPMbQxs> Once you have read or watched the story can you:

- Draw a story map to show what happened in the story.
- Draw 3 pictures to show the beginning, middle and end of the story and write a sentence for each picture.
- Change what Laura finds in the story to something that we see in the day for example a cloud. Draw a new story map to show what happens in the story.

### **For phonics**

This week we are starting Phase 3 phonics. We will be learning the sounds j, v, w and x. Use the phonics section on Espresso to learn about these sounds. Complete some of the activities that are on Espresso for these sounds.

Write a list of words that begin with each sound.

### **Mathematics**

Look at number books.

Sing number rhymes. [https://www.youtube.com/watch?v=V\\_lgJgBbqWE](https://www.youtube.com/watch?v=V_lgJgBbqWE)

This week we are learning to sequence familiar events.

- Take photos of you getting ready for bed then put them in the right order.
- Take photos of other things that you do during the day such as making a sandwich, making a drink, brushing your teeth and talk about what you do.
- Write some instructions to tell someone else how to make your favourite sandwich using the words first, then, next, finally.
- Learn the days of the week. Talk about what day comes first, what comes next, what comes before. Write the days of the week in the correct order.

### **Topic work**

This week is all about shadows. Look on Espresso to find out what shadows are.

- Using a torch and large paper make shadows and draw around them.
- Make some shadow puppets and hold a shadow puppet show.
- Match objects to their shadows.
