Dear Parents,

This letter is to help support you with your child/ren's online learning. The Department For Education's minimum expectation is that primary school children should be spending 3-4 hours per day completing work set by school. This means that whilst your child/ren are at home, they should be spending at least 3 hours completing the work that has been set by their teachers.

**Overview of how to log into Google Classroom – a more in depth guide with images can be found here:**

1. All of your child/ren's log in information is glued into their reading records. Children have log ins for a range of websites e.g. TT Rockstars, Mathletics and Espresso.
2. Click on your internet icon.
3. Type www.google.com into your web address bar.
4. Click on 'SIGN IN' in the upper right hand corner of the browser window.
5. Type in your child's Google Email address & click 'Next'.
6. Type in your PASSWORD & click 'Next'.
7. Now you'll see that you are signed into your Google Apps for Education account.
8. Click on the waffle button and then the Google Classroom icon.

## Teaching and Support

Teachers will be uploading lessons, assessing work and giving feedback to children daily as well as ringing families on a weekly basis. If children are not accessing home learning, teachers will ring home to see what support families need to ensure that all children are learning at home. Please email [mrshardy@awepa.org.uk](mailto:mrshardy@awepa.org.uk) if you are having any issues with logging onto your child/ren's account or if your child/ren does not have a laptop/ipad/device to use during the day.

**Nursery, Reception and Year 1** children will have their work set via Class Dojo. Your child/ren have their log in for this glued inside their reading record.

**Year 2, Year 3, Year 4, Year 5 and Year 6** children are using Google Classroom for their online learning, but can still contact their teachers using Class Dojo. All children have spent time in school learning how to use Google Classroom to ensure that they feel confident using it when learning from home. However, we understand parents might need support with this. On the home page of our school website, <https://ashtonwestendprimary.co.uk/> you will find two documents to support you with your child/ren's home learning.

1. A Parent's Guide to Google Classroom.
2. Our remote learning statement.

We understand that this is a very difficult time and we are here to support you. The school office remains open, so please do not hesitate to contact us during this time. Thank you for your continued support.

Yours Faithfully,

Miss Pizuti

Principal
