Choose one activity to complete each week. Tick in the box when completed (Highlighted box – ICT links)

<p>Design your own robot. Draw your robot. What is it made of? What does it do? How does it move? Where did it come from? Can it speak? Does it play games with you? Have your friends seen it? Does it have any special qualities?</p>	<p>Where does the food that you eat come from? Have a look at food packaging at home and make a list of where in the world our food comes from. Look carefully at fruit and vegetables, are they all grown in the UK?</p>	<p>Collect examples of newspaper headlines. What do you notice about them? What made you choose the headlines? Please ask for a newspaper if you want to complete this activity and do not have any at home.</p>	<p>Belonging to a community. We all belong to more than one community, such as school, family, neighbourhood. Think about the jobs that people do to help the community, choose one of those jobs and say why you think it is important. What can you do to help in the community?</p>
<p>A root word is a word to which prefixes or suffixes may be added. Look at the root word, agree, we can make – disagree, agreement, disagreement, agreeable, disagreeable. How many words can you find using these root words? Appear, cover, like, comfort, colour, weak and sign.</p>	<p>Easter is celebrated in April this year. How do people in the community celebrate? Can you find five facts about this festival? In what way is it similar to other festivals that are celebrated in the community?</p>	<p>Where in the world would you find volcanoes? Are they still active or are they dormant? Which are the most famous? Choose one and find facts about it.</p>	<p>Don't forget to use these links at least once a week each. https://www.discoveryeducation.co.uk/</p>
