

Ashton West End Academy Primary School

The PE and Sports Premium Funding Report 2023-24

The government is providing funding for the academic years 2023-24 to provide substantial Primary School Sport Funding. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2023 to 2024 academic year, to encourage the development of healthy, active lifestyles.

The allocation of the yearly Sports Funding is paid in instalments over two financial years. This is the same way as the DfE are passing the funding onto Local Authorities.

The DfE have stipulated that the following conditions must be met by all schools in receipt of the grant:

- The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2023 to 2024 academic year, to encourage the development of healthy, active lifestyles.
- Maintained schools must publish, on their website, information about their use of the PE and Sport Grant allocation. Schools should publish the amount of grant received; how it has been spent (or will be spent) and what impact the school has seen on pupils' PE and sport participation and attainment as a result, to help to ensure that all pupils develop healthy lifestyles.

Meeting National Curriculum requirements for swimming and water safety	
What percentage of Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left our school?	30%
What percentage of Year 6 pupils could use a range of strokes effectively when they left our school?	30%
What percentage of Year 6 pupils could perform safe self-rescue in different water-based situations when they left our primary school?	30%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Sports Premium 2023-24 Intended Outcomes /Impact			
Key Objective	Intended Outcomes	Funding Allocated	Impact
Broader experience of a range of sport and activities offered to all pupils and increased participation in competitive sport.	Children to become more physically active when outside at dinnertimes. Give the children a variety of activities to complete with the coaches from Peak Active Sport.	£9420	The children have really enjoyed the activities that the coaches have provided, including: Hockey Football Cricket Basketball Invasion games Tennis Small group work with identified target children (Lowest 20%) Numbers of non-participants have been reduced and their enjoyment of sport and physical activity has increased. (Information from pupil voice and observations) Pupils have been excited to go out and we have seen participation rise in the lowest 20% of children and other children who do not usually participate in sports. Children have begun to participate that do not usually. Behaviour has improved because of this. (Information from pupil voice and observations)
To give the children a broad range of activities to participate in during	Children to be given the opportunity to take part in many different activities and games during dinnertime all being led by members of staff.	£926.87	Children have had good standard of standard of equipment on playground. They have been able to enjoy activities using this equipment. The uptake of sport

breaktimes and dinnertimes.			on the playground has increased. Participation has particularly increased in lowest 20%. (Information from observations) Pupils are aware of whom the play leaders are and their role within school (evident from pupil voice).
To promote a love of sporting activities for children in Key Stage 1 and ensure that they have exposure to a range of activities.	Children to take part in many different sports in a variety of different games and activities with external coaches.	£1440	Children in KS1 stated that they enjoyed these activities (pupil voice and observations) Children from the lowest 20% of children suggested that they enjoyed these sessions. Many children suggested that they would take part in sport outside of school after taking part in these sessions.
To promote a love of sporting activities for children who do not usually participate in sports activities in school.	Children to participate in a range of activities using speakers led by dance coaches and Miss Mather.	£525	Children have loved these sessions with the speaker, and we have seen a lot of children joining in who do not participate in other sports which has been pleasing. After completing pupil voice, it is clear to see that these should be used more to promote active breaktimes and dinnertimes in school.
To promote a love of sporting activities for children who do not usually participate in sports activities in school.	Children to be visited by an athlete who had represented GB at the Paralympics.	£21	The children who were spoken to about this event loved it and they found him very inspiring. They were so impressed with him and in a pupil voice the children said that they are

			more likely to start a sport that they had never done before.
To ensure that a higher percentage of our children exit year 6 being able to swim the national curriculum 25 metres.	Children to take part in swimming lessons at Active Medlock (as Ashton baths have closed). Coach travel has been arranged for these lessons.	£5400	More children are in the deep end swimming group. Upon undertaking pupil voices about swimming, the answers have been largely positive. 75% of our deep end swimmers are made up of Pupil Premium children which was a group of children that would continually miss out on their national curriculum award. We hope that with continuing swimming for a term in year 5, the percentage of these children who get national curriculum award will be higher than it currently is.
To ensure that CPD happens in school and teachers are prepared to teach high quality lessons.	P.E coordinator to attend Tameside Sports Partnerships P.E days to ensure that their knowledge of P.E is kept up to date. To discover what other schools are doing in P.E lessons and to gain ideas on good practise.	£1500- Accrual payment	After introducing complete P.E through these Tameside Sports partnership meetings, children are enjoying their P.E lessons. Teachers completing questionnaires have said that the planning on the website has supported them in their teaching of P.E which is a positive. Also observations of P.E lessons has shown a much more consistent approach to lessons as well as the P.E lessons being appropriate and progress at a suitable level for the age group. This has allowed teachers to be more confident in their P.E teaching so staff have

			been happier in teaching their P.E lessons this year.
