### Attendance update

School is striving to improve our overall attendance. Lost learning may mean your child does not achieve the expected standard by the end of the school year.

Within the local authority, we are in 38<sup>th</sup> place out of 76 which is an improvement as we were in 49<sup>th</sup> place last half term. We need to continue improving this with your help. Our overall attendance is 95% which is below our school target of 96.5%.

Please do not hesitate to contact school if you would like support to help improve your child's attendance.
