

## Important National and International Events

### at Ashton West End Primary Academy

At Ashton West End Primary Academy, we believe that it is important to help our pupils understand the world around them as much as possible. Therefore, for every subject of our curriculum we will be celebrating a 'Special Event' connected to that subject. For events taking place over weekends, we will celebrate on a suitable school day. These celebrations will take many forms, some will be class-based, and some will be whole-school events.
