A huge congratulations to the pupils who were in 3L last academic year! They will be treated with a school trip to say well done!

We have an additional 41 children who achieved EXCELLENT attendance in the academic year 2025-2026. We have considered those who may have had medical appointments and looked at all of the reasons to make sure children who may have just missed out, can also attend. These children with our 1st place class will be taken on a school trip as a reward for their excellent attendance.

Thank you for your ongoing support with improving our attendance.

Miss Pizuti, Principal

Attendance update

Holidays in term time will not be authorised and those who do take holidays of 5 days or more will receive a penalty notice fine. If your child is absent for more than 20 school days for a holiday, then we may take their name off roll in the school.

Attendance is really important to us as children who do not attend school will miss out on key learning.

Please work with us and only take holidays in 13 weeks off school the children have a year. Thank you.
