Technology what do we use it for?

Technology how do we feel when we use it?

Who can say it?

Who could say it?

Humans

Machines

Human, Machine or Both?

I am your friend.

Human, Machine or Both?

What is your favourite colour?

Human, Machine or Both?

Well done!

Human, Machine or Both?

I can help you.

If something talks, writes, responds to what we say, does that mean it is a person?

Words can sound friendly. Machines can talk, but they aren't people.

Who should we go to if we need help?

Helpful or Unhelpful messages?

- How might the person feel?
- Could we say it differently?
- What if lots of people joined in?

👍 Helpful 👎 Unhelpful 🤔 Not Sure

Someone says,

“Do you want to play with us?”

Someone says,

“Mine is better than yours!”

👍 Helpful 👎 Unhelpful 🤔 Not Sure

Someone says, **“Please stop doing that. I don't like it.”**

If someone says, ‘I was just joking’, does that always make the hurt disappear?

How could we make this better?

You're terrible at this!

Would you like some help?

How could we make this better?

Go away!

I would like some space please.

How could we make this better?

HAHA! You got it wrong!

Don’t worry, we all get things wrong sometimes! Well done for trying!

What should we do if someone is saying something unkind?

Who is behind the picture?

Do we always know who is behind the profile picture?

What is the difference between knowing or being told?

Do we know it is true? Or have we just been told it?
